

MITCHELL POWELL

WEB/DATABASE DEVELOPER

P 931.704.0664 **E** powell.mitchell.d@gmail.com **A** 412 Cheyenne Trail, Seymour, TN 37865 **W** <https://www.seraphsdev.com>

OBJECTIVE

To secure a responsible career opportunity to fully utilize and expand my training and skills, while making a significant contribution to the success of the company.

EXPERIENCE

JAN 2016 - CURRENT

Technical Analyst – CGI Federal

- Worked as a full stack developer for contracted websites utilizing HTML, CSS, and Node.JS
- Worked on various technical proof-of-concepts transitioning to other technology stacks such as AngularJS and ReactJS
- Created processes to manage source data collection and automate database loading with ETL packages as the technical project SME
- Managed dynamic data for front-end requests through REST APIs

JUN 2018 – JUN 2019

Platoon Leader/Maintenance Control Officer – Army National Guard

- Managed a platoon of 35 soldiers while operating as the Battalion Maintenance Control Officer while deployed across Poland
- Planned for daily operations, managed Soldier's needs, well-being, and yearly training requirements
- Worked with outside agencies as a liaison to expedite supplies and repair parts for the Battalion Maintenance Program
- Tracked equipment changes, repair job status, and shipping order statuses for each company's vehicles to ensure success to the Battalion Maintenance Program daily utilizing the GCSS-Army SAP System
